

RDA COMMITTEES ENDORSEMENT IN THE 2017/18 FEDERAL BUDGET

Regional Development Australia committees received endorsement with ongoing funding confirmed for the next four years within the Federal Budget. The Federal Government will continue to allocate \$74.3 million from 2017/18 to 2020/2021.

The RDA Committees support the Australian Government's commitment to strong, confident and vibrant regions. The RDA Committees will have an active and facilitative role in their communities with a clear focus on delivering local jobs, attracting investment and building economic growth in their regions.
