

CONSULTATION BEGINS FOR NW AGED CARE STRATEGY

Regional Development Australia (RDA) Pilbara and RDA Kimberley invite you to be involved in the consultation process for the North West Aged Care Strategy for the Pilbara and Kimberley. Initial Pilbara workshops and consultations will commence on **Tuesday, 14th February**.

Peter Kenyon, Director of Bank of I.D.E.A.S., WA Senior Australian of the Year and the consultant undertaking this project, will commence his visit to the Pilbara with a Business Breakfast in Port Hedland - see below for further details of this event.

Peter will then undertake workshops in Port Hedland and Karratha before heading to Onslow and Tom Price for consultations by appointment.

This project will map and gap the current level of service provision in the two regions and identify a holistic inter-generational solution to address the needs for accommodation, services and facilities. Feedback and input from the local community and from those working in the aged care, health and associated sectors is highly valued and we encourage your involvement.

The Town of Port Hedland, in partnership with RDA Pilbara, is pleased to host keynote speaker Peter Kenyon.

'Getting the tills ringing' delivers the stories of ordinary people who dared to be different and have become out-of-the-ordinary entrepreneurs running businesses located outside large cities. Rather than being endowed with unique and mysterious qualities, these people have discovered and developed attitudes, behaviours and skills that set them apart from most business operators.
