

## Map & Gap Supply Chain

Regional Development Australia (RDA) Pilbara and the City of Karratha have worked in partnership to produce a Map and Gap Supply Chain Study for Karratha and surrounds.

Now in its final draft, the Study provides some critical key recommendations for action to improve local contracting and business opportunities, which have potential for jobs and investment growth.

The focus of the analysis was the need for, and viability of, new businesses and also the retention and growth of existing businesses given the current economic conditions.

The document is currently being peer reviewed with publication and release expected in the coming weeks.

## BBRF Update

The Infrastructure Projects Stream for the Building Better Regions Fund (BBRF) closed on 28th February 2017. The Community Investments Stream remains open until 31st March 2017. For more information please [click here](#).

Proponents are reminded that they need to register with an Office365 account in order to apply by visiting [www.signup.live.com](http://www.signup.live.com). Local Government Authorities need to be aware when applying that email addresses ending with **.gov.au** are not accepted when registering with Office365 and will need to apply using a non government account.
