

Port Hedland Business Breakfast

Diane Pentz, CEO of Regional Development Australia (RDA) Pilbara had the opportunity to present at the Port Hedland Chamber of Commerce and Industry Business Breakfast on Wednesday 26th May 2017. Diane showcased the studies RDA Pilbara have completed over the past few years and provided a snapshot on projects that are underway and those planned for the rest of the year.

RDA Pilbara is currently developing the North West Aged Care Strategy and is in the process of finalising funding for the development of an Aboriginal Early Years Strategy. In the next financial year RDA Pilbara will undertake a Map and Gap Supply Chain Study with the Town of Port Hedland as well as the Cost of Doing Business in the Pilbara.

Feedback from the attendees was that the breakfast and presentations by Diane and Brad Pawlenko from Landcorp were well received.

Transitioning regional communities

The Productivity Commission released its initial report on Transitioning Regional Economies on 21st April 2017.

The Commission invites written submissions in response to its initial report and are due by 31st July 2017.

NEWMAN BUSINESS EVENT

Regional Development Australia (RDA) Pilbara in partnership with Newman Chamber of Commerce and Industry and supported by the Shire of East Pilbara and BHP Billiton, is pleased to host keynote speaker Peter Kenyon.

'Getting the tills ringing' delivers the stories of ordinary people who dared to be different and have become out-of-the-ordinary entrepreneurs running businesses located outside large cities. Rather than being endowed with unique and mysterious qualities, these people have discovered and developed attitudes, behaviours and skills that set them apart from most business operators.
