

## Cooperative Research Centre for Developing Northern Australia Project Funding Round

The [Cooperative Research Centre for Developing Northern Australia \(CRCNA\)](#) will be investing \$75m of Commonwealth funds over the next ten years to support industry-led research collaborations. The funding will develop new technologies, products and services which address industry issues in Northern Australia within three areas:

- 1) **Agriculture and food**—Removing barriers and improving supply and value chains for new and existing northern agricultural industries.
- 2) **Tropical health service delivery**—Identifying new models and approaches, early detection, health seeking behaviour and mental health.
- 3) **Traditional Owner led business development**—Identifying new models and approaches and building an industry ready skilled workforce in the fields of agriculture, food and/or health industries.

To submit an expression of interest in the 2017/18 Funding, download and complete the [Expression of interest form](#) and email it to [projects@crcna.com.au](mailto:projects@crcna.com.au) prior to **31 October 2017, 5:00 pm AEST**.
