Developing Northern Australia Conference 18th—19th June 2018

Alice Springs Convention Centre, NT

Continuing the success of 2017 and now in its fourth year, the Conference Committee is proud to launch the Developing Northern Australia Conference.

The Conference provides both an educational program lead by industry champions as well as a platform for networking and connecting with like-minded contributors to share the opportunities, challenges and outcomes for growing Northern Australia. We invite you to be part of this conversation on the importance of a connected North and share ideas to move forward in telecommunications, energy, liveability, population, engaging investment and attracting business.
