

# West Pilbara Children and Families Community Directory 2020-2021 Update

The West Pilbara Children and Families Community Directory is reviewed annually and has been a successful resource since 2011. The Directory provides a brief description of and contact details for organisations, government agencies and Aboriginal Corporations who deliver services and support for children and families in the West Pilbara.

RDA Pilbara now invites all community service providers, within the West Pilbara, supporting children and families to contact our office to discuss inclusion into this greatly sought after resource. RDA Pilbara will also contact all currently listed organisations for any updated information.

Please share this information with other service providers you may work with to contact us on (08) 9144 0651 or email Anita Watts at [officemanager@rdapilbara.org.au](mailto:officemanager@rdapilbara.org.au).
