## **ACECQA Newsletter August 2017** **Transition to school: a collaborative effort**

Why is the process of transitioning to school from early childhood education so important? How can educators, families, schools and community members collaboratively develop useful and meaningful strategies to help children? Why is this collaboration essential?

This month on [We Hear You](#), we look at why this process is essential.

### **Child Safe Organisations WA**

The Commissioner's Child Safe Organisations WA programme promotes and supports the implementation of child safe principles and practices in organisations in Western Australia.

The programme aims to help agencies identify and manage any risks that affect the safety and wellbeing of children and young people, including physical and sexual abuse, bullying and accidental injury.

To book into a Child Safe Organisations seminar please click here: <https://www.cyp.wa.gov.au/events-and-awards/seminars/> for more information.
