IF Foundation Performing Arts Academy's Youth Actors in Wickham Perform Mother Goose's Madness and Dorothy Meets Alice by Joseph Robinette

The IF Foundation Wickham Performing Arts Academy has presented their third Winter production this past Thursday, June 22nd at the Wickham Community Hall. Students between the ages of four and fourteen have been meeting with the IF Foundation Performing Arts team all semester, honing their theatre skills to create and put on this show.

The Beginner and Junior classes (ages four to nine) presented a production of *Mother Goose's Madness*, a piece that explores what happens when Mother Goose's Nursery Rhyme Characters go on strike! Our Senior class (ages 10+) took on an extremely challenging piece, *Dorothy Meets Alice* by Joseph Robinette, which was presented by arrangement with Origin™ Theatrical, on behalf of Samuel French, LTD. There was a lovely turnout from the community with lots of helping hands from parents and friends.

The IF Foundation conducts after school performing arts classes at the Community Hall in Wickham on Tuesdays and Thursdays, and in Dampier on Mondays for ages four and up. Any enquiries can be sent to david@iffoundation.org.au.

Onslow Teddy Bears Picnic

Last week V Swans celebrated their annual Teddy Bears Picnic in Onslow with 28 children attending the event. The local Early Childhood Education and Care service also attended making the event a great day out for the children.

RDA Pilbara would like to congratulate Carly Wells, former RDA Pilbara Project Officer on the safe arrival of Lila Grace.

Joey Maths

Who knew that sandpit play, getting dressed and packing toys away with your young children will help build foundation maths concepts that are essential for later learning?

- Joey Maths will give you the confidence and skills to build strong foundations of the 10 essential maths concepts so that your children can become the innovators of the future.
- A high quality selection of mathematical books and toys are available for purchase.
- Take home a free mathematical gift for your child and handy notes for your reference.

Joey Maths will be coming to the Pilbara in August 2017
