

# EARLY YEARS

The Protective Behaviours PD Workshop held in Karratha for Service Providers April 27th was well received with positive feedback on both the presenter and content. The event was a collaborative effort between RDA Pilbara and WA Child Safety Services.

## Asset Based Community Development

Free workshop with Peter Kenyan

Asset Based Community Development (ABCD) is based on the principles of appreciating and mobilising individual and community talents, skills and assets (rather than focusing on problems and needs) and it being community driven development rather than development driven by external agencies.

Date: Wednesday 17th May 2017

Time: 8.30am Coffee & Registration 9am—12noon

Venue: Welcome Lotteries House, Morse Court, Karratha
